That order shall include the reasons therefor and shall authorize any peace officer to take the patient into physical custody and transport him to a facility designated by the division. Prior to or upon admission to the more restrictive environment, or upon imposition of additional or different requirements as conditions for continued release from inpatient care, copies of the order shall be personally delivered to the patient and sent to the person in whose care the patient is placed. The order shall also be sent of he patient's counsel of record and to the court that entered the original order of commitment. The order shall inform the patient of the right to a hearing, the right to appointed counsel, and the other procedures prescribed in Subsection 62A-15-631(9). If the patient has been in the less restrictive environment for more than 30 days and is aggrieved by the change to a more restrictive environment, the patient his representative may request a hearing within 30 days of the change.
